

Term Two: As our first term wraps up, we'd like to start thinking of term two. If you aren't planning to enroll in term two or you'd like to make any changes to your child's classes, please email us to let us know by November 28th. If you would like to continue with your classes and not make any changes to your registration, you don't need to do anything. We will be sending new invoices out in December. For Competitive students, invoices will include Comp entry fees as well as Solo or Duet costs. Again if you could let us know of any changes by November 28th, it would be greatly appreciated. Open registration for new students for term two will start December 8th.

Term two will start Saturday January 9th and run until Friday March 12th. Class times remain the same for all classes.

Food Drive: We are collecting nonperishable food items at the studio until November 30th. Every student that donates will have their name put into a draw for a prize on December 1st.

Masks: We are selling studio masks. They will be black with our logo printed on them. All information is attached to this newsletter. The cost is \$10/mask (HST included). Emails will be sent out for pick up of masks when they are available.

Parent Portal: We encourage you to use the parent portal to check your student in for each day they dance. With winter arriving any time, we'd like to get students in the building as quickly as possible. If they're already checked in, it is easier to do this. Please cut and paste this link and bookmark it for later.

Covid Procedures: Just a reminder that anyone with Covid symptoms should stay home. If you would like to use Zoom for your dance class, please email us at dance@afrostdance.com and we will try our best to get you a link. Only one person is allowed into the studio with children under the age of 6 and everyone must be screened at the door. This is very important for contact tracing and for limiting our number of people in the studio.

Spirit/Pajama Week: Our last week at the studio will be a Pajama/Spirit week. Students can wear pajama's to class each day or participate in spirit week. Just remember that students must be able to dance in their spirit wear.

- Monday November 30 – Pajama Day
- Tuesday December 1 – Dress up like a character from your favorite Holiday movie
- Wednesday December 2 – Red and Green Day
- Thursday December 3 – Christmas Socks – the merrier the better
- Friday December 4 – Jingle Bells: dress up and dance with bells on, the more the merrier
- Saturday December 5 – Picture with Santa: wear what you would if you were getting your picture taken with Santa
- Monday December 7 – Christmas Vacation: dress up as if you're going on vacation for Christmas, ie) going to the beach, Disney World, Skiing etc.

Video Recordings in class: We'd like to send out a recording of what we've been doing in dance classes to our families. We will record the choreography they are learning in class and send it only to the families in the class. We know that some parents have requested no videos or pictures being used on social media, which we understand. Please let us know if you would like your child in the recording sent out.

Reminders:

- A yoga mat must be brought to Acro classes. For safety reasons dancers will be prevented from learning some of their skills if they don't have a mat
- For all classes excluding Ballet and Tap, we ask that students bring a yoga mat if available
- Only send your dancers shoes and water bottle for class
- Washrooms are for emergency use only
- Dancers should remain six feet apart from each other in the lobby and hallways at the studio
- The studio closes after classes on Monday December 7th for our break. Classes resume Saturday January 9th.

A-Frost Mask Order Form

We are so excited to announce the studio masks are available for purchase! Please fill out the form below!

The Fitted Spandex Mask is stylish and soft on the ears for a comfort fit. Spandex component gives the face mask the necessary elasticity to adhere to all types of faces.

The shape of the mask also contributes to a perfect fit - copying the natural lines of the face.

Durable, Breathable, washable, and re-usable.

Made from 95% polyester, 5% Spandex.

<u><i>Mask with Studio Logo</i></u>	<u><i>Price</i></u>
Fitted Spandex Mask	\$10 (including HST)

Parent Name: _____

Student Name: _____

Quantity: _____

Total Cost: _____
